Description

Unmatched luxury and breathtaking St. John's River views can now be yours at an extraordinary value. This meticulously custom-built, 3-Story, 6,300 sq. ft. Ortega Pointe estate was completed in 2022, built from an extended footprint of an older home. Offering 7 bedrooms, 5.5 baths, including a 1-BR/1-BA/Kitchenette private Airbnb /in-law suite, all with world-class finishes available at a price that rivals homes of lesser distinction. Indulge in a gourmet chef's kitchen with dual appliances, an opulent owner's 2nd level suite with spa-inspired bath, and 1st level secondary suite. Spacious lanai, 40' covered balcony, and room for a pool. Situated near historic marinas, premier yacht clubs, and downtown Jacksonville, this home combines modern sophistication with timeless charm. This is more than a luxury property—it's an incredible investment in elegance, lifestyle, and value. Don't miss this rare opportunity to own Ortega Pointe's best-kept secret.
