Description

Step into this stunning home where elegance meets functionality. The grand foyer welcomes you with barn doors leading to a private en-suite guest suite. The guest bath features a tub-shower combination, single vanity, and stylish countertops matching throughout the home, including all bathrooms, the kitchen, and the wine bar. Designed for effortless entertaining, the open-concept living, dining, and kitchen areas provide a perfect space for gatherings. The expansive high counter creates a seamless flow. The gourmet kitchen boasts ample counter space, double electric ovens, and a five-burner glass cooktop. A walk-in pantry keeps essentials neatly stored. Nestled in the west wing, the luxurious primary suite features plush new carpeting, a spa-like bath with a soaker tub, dual rain-head shower, and double vanity. A spacious walk-in closet offers complete organization. At the front, a fifth bedroom doubles as a serene library with 120 feet of floor-to-ceiling bookshelves an idyllic retreat. A separate wing, accessed through a grand barn door, houses two additional bedrooms, a family bath, and a laundry room with built-in cabinetry and shelving. Neutral-toned 18-inch ceramic tile enhances the primary and family bathrooms. Step outside to the north-facing lanai, a haven from the Florida sun. This inviting space features ceiling fans and an outdoor TV area, perfect for al fresco dining. Situated on a spacious 0.62-acre lot, the deep backyard extends over 260 feet, providing ample space for parking boats, RVs, or other outdoor toys. A 30-foot drainage easement behind the privacy fence adds extra buffer. In 2022, the community lifted prior storage restrictions. For added security, fourteen wired surveillance cameras provide full exterior and garage monitoring. The beautifully maintained front yard features lush Zoysia grass, while Centipede grass covers the rear and side yards. A programmable six-zone irrigation system ensures a vibrant landscape year-round. One unique perk is its proximity to the 16'x60' zero-entry community pool with a bathhouse. The tranquil sound of water features can be enjoyed from the lanai, while fencing and shrubbery maintain privacy. This exceptional home combines thoughtful design, modern amenities, and unparalleled outdoor living making it the perfect sanctuary for comfort and convenience.
