Description

Newly Renovated Home in Etna - Minutes from Downtown Pittsburgh! Explore urban living in this beautifully renovated home, perfectly located minutes from Downtown Pittsburgh. This residence showcases modern craftsmanship with a newly installed sewer line and a creatively finished basement bedroom, enhancing both comfort and value. The interior features an open floor plan with radiant hardwood floors, leading to a chef's kitchen equipped with new cabinetry, high-end appliances, and granite countertops-ideal for entertaining or quiet meals. The versatile basement can be customized to your lifestyle, whether as a man cave, teen hangout, home office, or gym. Upstairs, plush carpeting and natural light create a retreat-like atmosphere in the bedrooms, especially the tranquil master suite. Outside, enjoy a private yard with city views, a new roof, and added conveniences like an included washer/dryer. Located near RT8, RT28, and key districts like the Strip District and Lawrenceville.
