Description

Welcome to 18 Dexter, one of the final opportunities to own a brand-new townhome in the exclusive Redwood Row development. Spanning 2,194 sq. ft., this thoughtfully designed 4-bedroom, 4-bathroom residence perfectly blends modern elegance with eco-conscious living on the coveted Redwood City-Atherton border. Step inside to discover engineered wood floors, 10-foot ceilings, and an abundance of natural light streaming through premium Anderson windows. The open-concept living spaces flow seamlessly, making entertaining effortless. Luxurious Delta shower hardware elevates the spa-inspired bathrooms, while the thoughtful inclusion of two washer/dryer hookups adds convenience to your everyday life. Designed for sustainable living, 18 Dexter comes equipped with 8 solar panels (25-year warranty), a solar inverter (12-year warranty), and a private garage featuring an EV outlet. Hidden network storage and sound suppression ensure ultimate comfort and privacy, while preserved redwoods create a tranquil setting rarely found in such a prime location. As one of the last homes available in Redwood Row, 18 Dexter is a rare chance to own an extraordinary residence that's as stylish as it is functional. With its unbeatable location and cutting-edge features, this home truly stands apart.
