Description

A stunning plot of land with west coast sea views and a building permit already in place. Situated just a short drive (or walk!) away from the little beach of Mirtiotissa, this large plot of land has beautiful west facing views across the olive groves and out to sea. This part of the island is still largely undeveloped, yet has some of the best sea views. Glyfada beach is a 10 minute drive away, or can be accessed via footpath through the olive groves. With easy access and not too steep, it already has plans in place for a modern villa with swimming pool. Water and electricity are available nearby.
