Description

This 3,880 sq. ft. daylight rambler, built in 2006, offers incredible flexibility with two full living spaces — perfect for multi-generational living or rental income. Each level includes a primary bedroom with a full bath and walk-in closet, a second bedroom and bath, and a full kitchen with all appliances. Enjoy breathtaking city, mountain, and river views from both levels. The property features RV parking with a dump station and two separate two-car garages. With independent living on each level, this home offers endless possibilities!
