Description

Brand new in 2025 and built to the highest standard, this custom coastal masterpiece sits on a premier corner lot in Huntington Beach with unobstructed ocean views from its expansive 560 sq. ft. rooftop deck. Spanning approximately 5,000 sq. ft., this architecturally striking home seamlessly blends warm organic textures with cutting-edge luxury. Step inside to soaring 11-foot ceilings with custom wood beam details and European white oak floors throughout. A dramatic LaCantina pocket door connects indoor and outdoor living, while natural light pours through Milgard windows and French doors. Entertain with ease in the show-stopping main kitchen featuring Taj Mahal quartzite counters, a 72" SubZero refrigerator, 48" Wolf range, SubZero wine fridge, and a stunning Taj Mahal quartzite wet bar with integrated sink. The adjacent butler's kitchen offers additional prep and storage space for effortless hosting. The Belvedere book-matched marble fireplace creates a dramatic focal point in the great room, and a sleek elevator connects all levels of the home, including both laundry rooms-one on each floor. Designed with wellness and sustainability in mind, the home includes a solar system, metal roof, and extra-reinforced foundation. Retreat to the luxurious primary suite with vaulted ceilings, alabaster marble chandeliers, a private sitting area with stone fireplace, and a 30-foot balcony offering captivating ocean views. The spa-inspired bathroom boasts a full slab book-matched shower, Brizo polished gold fixtures, and a custom white oak vanity. A boutique-style walk-in closet showcases illuminated glass-front cabinetry in white oak. Additional features include a three-car garage, custom guest bathrooms adorned with Porcelanosa and Ann Sacks tile, and every luxury amenity expected of a modern coastal estate. 9121 Christine Drive is a rare offering-a statement home where no detail has been overlooked and every finish has been thoughtfully curated for those who demand the best in design, quality, and ocean-close living.
