****NEWLY PRICED**** Best unobstructed views in Woodland Hills! Masterfully perched atop a private bluff sits this stunning, completely remodeled pool home with the most mind-blowing 270 degree panoramic views of the Valley, City lights, and Mountains. Located beautifully at the end of a super quiet cul-de-sac with only four homes, this property is very private and sits on a 26k Sf lot (over 1/2 an acre), with one-of-a-kind views. A long driveway leads to the newly landscaped front yard adorned with olive trees and a meandering path that leads to the covered front porch. Step inside to find open sunlit living spaces with wide plank oak wood floors and custom finishes. Almost every room overlooks the incredible vistas. The large family room has a designer tiled fireplace and sliding glass door that opens to the covered patio. The chef's kitchen opens to the family room and features island, quartz countertops, soft close cabinetry, Viking stainless appliances, farm sink, and breakfast nook with separate slider out to the backyard. The spacious formal dining room has direct kitchen access. Upstairs you will find 5 bedrooms including the primary suite featuring large balcony deck for enjoying the spectacular views, massive walk-in closet with built-ins (converted 5th bedroom), and private en-suite bath with dual sinks, quartz counters, soaking tub with large picture window looking out at the views, walk-in shower, & separate toilet room. Three well appointed secondary bedrooms share a remodeled hall bathroom with double sinks and tub/shower combo. The backyard boasts recently resurfaced swimming pool, large grassy yard, covered patio for outdoor dining, large side yard with a storage shed, garden bed and room for more outdoor entertainment space. Additional features include a downstairs guest bathroom with shiplap accent wall, direct access to the 2-car garage with storage and epoxy flooring plus additional driveway parking for 4 cars, LED lighting throughout, Nest thermostats, and Ring alarm system.
