Description

WOW WOW WOW! This property located in a gated community with almost an acre has it all...a mixture of top design and amazing amenities!! Truly a unique property for those who enjoy spacious indoor/outdoor living. The home, with an open floor plan, boasts impressive qualities & wonderful spaces. Beautiful manicured landscaping & a covered front porch greet you upon entry. This open floor plan has great living areas throughout that provide spaces for entertainment and family. The living room boasts a barrel beamed ceiling, built-ins, fireplace, wood floors & adjoins with a spacious dining room with a custom ceiling. A library with double doors and wood flooring is located off the foyer. The heart of this home lies in the awesome gourmet kitchen/family room with all the bells and whistles: quartz counter tops, stainless steel appliances including a Sub-Zero refrigerator and a 6 gas burner Thermador range, huge eating bar, large dining space with door to covered deck, vent hood, walk-in pantry & adjoining large family room anchored by a stone wall fireplace and a cathedral beamed ceiling. The grand master is the perfect place for relaxation & features a magnificent remodeled tile bath with gigantic walk-in tile shower with 3 shower heads, stand alone tub & a huge custom walk-in closet. Adjacent to the master bedroom is an additional bedroom with a vaulted ceiling, walk-in closet and it's own private tile bath. A fantastic tile laundry, drop zone area off the 4 car garage & a powder bath complete the main level. Great design & architectural features are displayed throughout: beautiful woodwork, eye catching lighting, arched entries, each bedroom has their own walk-in closet, geothermal system & solid doors. Fantastic finishes continue in the 9' ceiling walk out lower level...rec room with two-way stone fireplace, hobby room with built-ins, wet bar & game room area. Enjoy entertaining your friends in this state of the art theater room with projector, seats, screen & speakers. An ensuite with private bath, an additional bedroom, full bath and another powder bath top off the lower level. This home is perfect for outdoor entertaining of any kind, from lively, sun-filled gatherings to intimate dinner parties on the covered deck with barrel ceiling, gas fire coffee table, heaters & grill, covered tumbled stone patio from the basement wet bar or the additional stone patio with built-in kitchen with granite counter tops & hot tub. Enjoy the privacy, with many evergreen trees, sprinkler system & irrigation well. Whether you are spending time on the patio or watching your favorite movie, this impeccably designed home is sure to meet all of your needs!!
