Description

St. C - St. Croix Enjoy the spectacular, unobstructed million-dollar view of the Caribbean Sea & our neighboring islands from this walk-in level spacious condo located in the desirable gated St. C Condominium Complex! Experience the seamless indoor-outdoor lifestyle as you enter the large living & dining room area, & continue onto the gallery, the perfect place for dining or enjoying your morning coffee. Decorated in a vibrant artistic style, this unit is a wonderful place to relax & be inspired by the lovely tropical breezes, the rolling waves, & the vivid changing colors as the sun & the moon rise over Buck Island and Christiansted Harbor! There is plenty of storage space both inside & outside on the front porch. Just minutes from Christiansted, shopping, restaurants, beaches, other activities, & airport
