Description

JUST REDUCED! Great opportunity in the heart of Flower Mound! This as-is, 3 bed, 2.5 bath, 2289 square foot, single story home is ready for your personalization! Built in 1984, and being sold AS IS, it is nestled on a single-access, 1.3 acre quiet street in Flower Mound, tucked in amongst the trees. Large back deck that wraps around to the side of the home. Convenient to the Riverwalk, hospital, hotels, shopping, dining entertainment! This property has city water but there is a well on the property. The property has charming curb appeal, and provides a driveway and circular drive. Upon entering is a large living room with fireplace, 3 bedrooms located on the hallway away from the living spaces. The light and bright kitchen and breakfast area and island flows into the sunroom-like family room. Spacious for large gatherings and entertaining, with a view of the trees in the back yard. Bring your vision!
