Description

HUGE PRICE REDUCTION! Now listed BELOW COMPS - MOTIVATED SELLER! The seller is serious and ready to move! OWNED SOLAR (40 panels + 2 inverters) means energy efficiency and big savings! This exceptional 5-bedroom home with a detached casita and 3-car garage blends luxury at an incredible VALUE! Low HOA makes it even more affordable. ☐ Move-in ready TODAY! You won't find another home with this much value, space, and energy-conscious design at this price. Don't wait -- your dream home is calling at an amazing price! Designed for the ultimate indoor/outdoor lifestyle, this home features an open, inviting layout with the primary suite thoughtfully separated from the guest rooms for maximum privacy. The large, southern-exposed backyard with mountain views is an entertainer's dream, offering a resort-style pool and spa, cascading waterfalls, misters and lighting that set the stage for unforgettable nights. Whether you're relaxing by the fire pit, grilling on the gas BBQ, or enjoying a friendly game on the putting green, the outdoor space is an absolute retreat. The covered patio extends with a completely covered pergola, with commercial-grade ceiling heater, turf yard outside the casita, fire pit and twinkling lights that create a magical atmosphere as the sun sets and the stars twinkle above. It's the perfect spot to unwind or host friends and family in the comfort of your own backyard oasis. Inside, this home boasts high-end finishes and custom features, including a built-in bar with an illuminated Onyx wall and mood-setting color-changing panels. The chef's kitchen is a dream, equipped with a Viking gas range, built-in refrigerator, wine fridge, and new cabinetry. Plus, enjoy water filtration throughout the home, including a reverse osmosis system in the kitchen. With meticulous attention to detail and a true pride of ownership, this home is ready for you to enjoy today!
