Description

The design of this 2-story home offers unique opportunities. Each level has 2 bedrooms, 1 bath, and a fireplace as well as its own entry. The home could be used as a dual rental or AirBnB simply by closing off the inside staircase between the two floors. whatever configuration or living arrangement you desire this home is right for you. As you enter the top floor you are greeted by an open floor plan, vaulted open beam ceilings, a brick fireplace, and gorgeous views of the snow-covered mountains while you sip your morning coffee. Additionally, the sliding doors off the dining area leading to a large deck perfect for entertaining or relaxing. The bottom floor (with its own front door) has an open living room area with a brick fireplace and sliding doors leading to a back covered patio The garage is over-sized with great room for storage.
