## Description

Beautifully remodeled, fully furnished condo near the slopes! This stunning home has 1,453 square feet, three-bedrooms, two-bathrooms, and is located just minutes from the ski and mountain biking resort. This home is modern, stylish, comfortable and located in a wonderful location in the resort. The open concept living area with hardwood flooring is ideal for entertaining, with high-end finishes, a contemporary kitchen, and cozy touches that make it feel like home. The stunning stacked-stone fireplace, with granite hearth, was converted to electric, creating a cozy yet upscale ambiance. The entire home is completely electric, so no gas expenses to calculate. The fully appointed kitchen features black galaxy granite countertops, knotty alder cabinets, custom tile backsplash with under-cabinet lighting, and stainless-steel appliances, perfect for cooking and entertaining. Each bedroom is spacious and inviting, with the third bedroom being a loft-style, non-conforming bedroom that currently has two queen beds, closets, skylights, and still room to add more sleeping options. Both bathrooms are finished with granite and tile, showcasing stylish fixtures and a clean, modern feel. The home is both elegant and inviting. This has been a successful short-term rental investment, ready to be turn-key or your next vacation getaway. There are no exclusions in this condo. Everything remains, and you just need to bring your toothbrush and get ready to enjoy year-round mountain adventures, or a hassle-free income producing property, or both. This one checks off ALL of the boxes!
