The natural habitat is being preserved with new initiatives such as beehives, bat boxes, butterfly gardens and areas set aside for 'wilding'. Situation There's no place quite like Buckinghamshire's Chalfonts, and Newland Park sits at the heart of it all. Here, the phrase 'the best of both worlds' just happens to be true, with neighbouring Chalfont St Giles combining traditional charm with modern luxuries, and tranquil village life with fantastic access to London. In the village itself, you'll find a welcoming high street lined with independent shops, a butcher, baker and greengrocer, as well as family-friendly pubs and all the essentials for everyday convenience. Chalfont St Giles is an affluent, thriving village that can be found 25 miles/40km from London and bordered by the equally sought-after neighbourhoods of Beaconsfield, Gerrards Cross, Seer Green and Little Chalfont. Chalfont St Giles has exceptional transport links, with close proximity to the M25 and M40 motorways, only a short distance to Heathrow airport (approx. 18 miles) and fast train access into Central London from Chalfont & Latimer station which is just 3 miles away (approx.). Marylebone Station can be reached in 28 minutes (approx.) on the Chiltern Line from Seer Green and Jordans Station – a few minutes' drive away, with the added benefit of a private resident only courtesy coach service\*\*Locals are spoilt for choice with walks and green spaces including The River Chess walk taking in the surrounding Chiltern Hills, historic buildings, meadows and nature reserves. Education is second to none: Buckinghamshire's highly reputed excellent schooling spans all ages in both state and private sectors.
