Description

This truly unique custom-built 3,612 sq. ft. home on 2.76 acres offers space, style, and versatility! Towering ceilings and a wall of windows fill the open concept living area with natural light. A stunning spiral staircase leads to a loft—ideal for an office or reading nook—connecting to the spacious primary suite with fireplace and private deck. Enjoy a large main deck overlooking the peaceful, private grounds and seasonal Olympic Mountain views. The large walk-out basement offers endless potential for an apartment or multigenerational living. Located in a desirable neighborhood conveniently located between Silverdale and Bremerton. Come explore all the possibilities this one-of-a-kind property has to offer!
