Description

Hamptons are delighted to be marketing this superb detached house. This property comprises four bedrooms, two bathrooms, a downstairs w.c, utility area, separate fitted kitchen/breakfast area, three receptions, a high amount of storage facility throughout, off street parking for at least four cars, conservatory and a glorious mainly laid to lawn rear garden that lends itself ideally towards al-fresco dining. This property has been priced extremely sensibly by the vendors and we are expecting high demand, as such, we would highly encourage an immediate viewing. This property is being sold with no forward chain.

Situation The leafy town of Bushey boasts a wealth of stylish restaurants, cafés, specialist independent shops, a post office, convenience store, pharmacy, and even its own Museum and Art Gallery. Residents will also benefit from the area's beautiful open spaces including Aldenham Country Park. Nearby transport connections are excellent. Bushey overground and Mainline station is about a 1.5m away or a short bus ride. It provides train services into London Euston in less than 20 minutes, with alternative services from Watford Junction for other mainline destinations. Stanmore Underground station (Jubilee line) is less than 3 miles away giving direct access to the West End and the wider network, including the Elizabeth line at Bond Street. The M1 and M25 motorways provide easy access to surrounding towns, such as London and St Albans, with Luton Airport approximately 19 miles away and Heathrow Airport 25 miles away.
