Description

Welcome to this spacious and elegant Colonial-style 5-bedroom, 3-full-bath home located in the Hewlett-Woodmere School District. The first floor offers a welcoming living room, formal dining room, a comfortable family room with a fireplace, and a generous eat-in kosher kitchen featuring stainless steel appliances—ideal for both everyday living and entertaining. A full bathroom and a bedroom complete the main level. Upstairs, the master bedroom includes two walk-in closets, accompanied by three additional bedrooms, another full bath, and a private terrace off one of the rooms. A washer and dryer are conveniently located on this floor. The fully finished basement offers additional living or recreational space. Hardwood floors run throughout the home, complemented by two-zone heating and one-zone central air conditioning. Additional highlights include a two-car garage, inground sprinklers, solar panels for energy efficiency, and abundant storage space. Conveniently located close to schools, parks, shopping, and transportation, this home blends comfort, practicality, and timeless design.
