Description

Welcome to the penthouse-level, top-floor, sunlit 1-bedroom + flexible bonus room condo in one of Edgewater's most desirable gated waterfront communities. With approximately 1,090 sq. ft. of living space and no shared side walls, this rare unit offers a unique sense of privacy, peace, and comfort-perfect for those looking to downsize, purchase their first home, or enjoy an easy NYC commute. Step inside to 9-foot ceilings and updated vinyl plank flooring throughout the main living areas. The open-concept layout features a spacious living room with plenty of space for lounging and dining. The original dining area has been smartly repurposed into a den or home office, ideal for today's flexible lifestyle needs. Sliding glass doors open to a private, street-facing balcony approximately 10-15 feet in length-perfect for fresh air, relaxation, container gardening, or casual entertaining. The kitchen blends style and function with modern red cabinetry, granite countertops, a black tile backsplash, and a full suite of stainless steel appliances including a refrigerator, electric oven, microwave, and dishwasher. A stacked washer and dryer are located in-unit for added convenience. The oversized bedroom features both a walk-in closet and an additional louvered-door closet, with plenty of room for a king-sized bed and other furnishings. The en-suite bath offers both a jacuzzi tub and a separate walk-in shower. A second full bathroom-rare for this layout-features another walk-in shower and grab bar, enhancing flexibility and accessibility. The gated community is beautifully landscaped and maintained with seasonal floral displays and lush green spaces. Residents enjoy access to top-tier amenities including an outdoor pool, a fully equipped fitness center with sauna, a waterfront clubhouse, and walking paths with stunning views of the New York City skyline. A community room is also available for private gatherings and events (please note: no internet access in this room). Commuting is simple and convenient: the NJ Transit #158 bus to NYC stops just 3 minutes away, and the Edgewater Ferry is a short 6-minute walk, providing weekday service to Midtown Manhattan. Everyday essentials are easily accessible, with Whole Foods, Trader Joe's, and Mitsuwa Marketplace all located nearby. Inclusions: Stainless steel appliances (refrigerator, oven, microwave, dishwasher), in-unit stacked washer and dryer, all light fixtures, window treatments (if present), and balcony privacy screen. Exclusions: Personal property, furniture, wall-mounted televisions (unless otherwise negotiated). This top-floor condo offers a smart, flexible layout and the lifestyle benefits of a private, well-appointed community-truly a hidden gem in Edgewater.
