Description

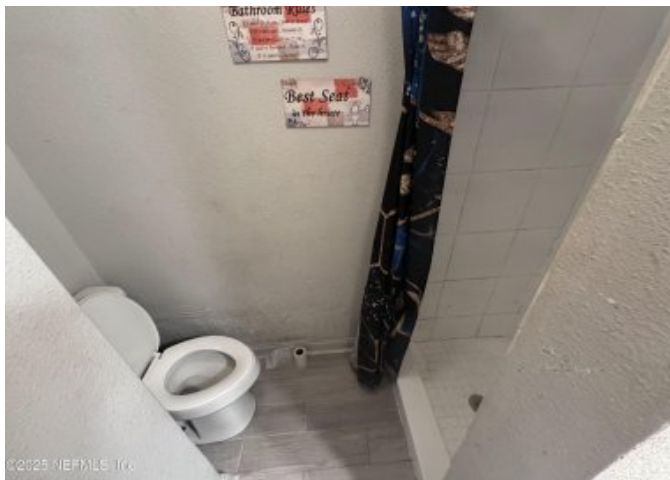

This tenant-occupied property is already generating income and offers immediate cash flow from day one. Whether you're looking to expand your portfolio or get started in real estate investing, this home checks all the boxes. Light cosmetic updates could further increase rental value, but it's fully functional and ready to go as-is. Located in a solid rental area with strong demand, this is the perfect buy-and-hold investment. Don't miss out on this low-hassle opportunity to own a performing asset in Jacksonville!
