Description

Nestled within a picturesque setting, this residence offers a rare opportunity to create a dream home. The property boasts breathtaking grounds that have received meticulous care over many years, as well as a spacious floor plan featuring; four expansive bedrooms, two full baths + a half-bath, living + family room + formal dining. Spanning over a quarter acre, this home is ideal for large families, with views of the surrounding greenery providing a visually stunning backdrop. The mechanical systems have been rigorously maintained and serviced annually by Davis HVAC, notable updates include; metal roof (approx. 10 yrs old), tankless water heater (approx. 3 yrs old), and storm windows (which insulates and blocks sound) and custom shutters. The home is priced to reflect the need for
