Description

This beautiful home is located in the HEART of Bethel Park, in a quiet and friendly neighborhood. Approximately 1,850 square foot house with 4 bedrooms and 2+ bathrooms situated on a spacious lot with ample outdoor space. This home features a cozy front patio, a spacious covered back deck, and a flat fenced-in yard. Inside, the open layout offers an abundance of natural light, accentuated by the vaulted ceilings and exposed beams. The spacious dining area and kitchen are well-appointed, featuring ample cabinetry and stainless steel appliances. Luxury vinyl plank flooring and tile throughout the eating spaces make for easy clean-up while the carpeted living room adds warmth and comfort! On the lowest level, you'll find a deep two-car garage, a newly finished basement, and another covered back deck. Only minutes from Boyce Mayview Park, South Park Golf Course, and Downtown Mt. Lebanon.
