Description

Looking for your forever home or possibly a vacation rental property in Lower Moonridge? Well, look no further. This property has over 1,600 + sq. ft., 3 bedrooms, 2 and a ? baths, a game room, and is conveniently located approximately .9 miles from Bear Mountain and Snow Summit Ski Resorts. It is close to the Big Bear Alpine Zoo, and is on a large 7,500 sq. ft. corner lot with ample parking on the property. The main home is 2 BR/2BA and comes fully furnished and wonderfully decorated. One bedroom has a Cal King bed with a half bath. The other bedroom has a queen bed, a twin bed, and a twin/over full bunk bed set. It also has a private balcony, where you can sit out and enjoy reading a book, listening to the birds chirp, or watch the raccoons climb up and down the tree. The home has a large, well-stocked kitchen, and a separate area that has been used as an office space. There is a washer and dryer with more storage located in that area. Heading out the sliding glass door, you can relax on the new, lighted, deck that overlooks the fully fenced backyard, or treat yourself to an apple off the apple tree when theyre in season. While in the backyard, you will see the large, log cabin-style shed. It is a great place to store your tools, sleds, lake toys, lounge chairs, bikes, etc The home does have central heat and air, but the living room also has a large, wood-burning fireplace with an insert and a fan blower. The French doors lead out to the front porch where you can enjoy a barbecue dinner in the outdoor patio area with a nice dining table and chair set, or hang out in the entertainment space next door to play a game of pool or shuffle board. This cabin style game room has vinyl plank flooring, a sitting area, kitchenette, and an additional 1 BR/1BA above it. This includes a queen size bed and a twin bed with a pop up trundle underneath. It also comes fully furnished and is wonderfully decorated as well. You will love this extra space! The exterior of both cabins have recently been painted or re-stained. So, whether you are looking for that perfect home, a place to vacation, or maybe even an income producing property, you dont want to miss this opportunity.
