Description

Welcome to the most exquisite "like brand new home" in the Winding River community, where elegance meets comfort. This home was built by Bent Pine Construction in 2020. This stunning 4-bedroom, 3-bathroom residence is thoughtfully designed with custom features and beautiful details that truly set it apart. Step inside to a foyer that opens to a spacious floor plan enhanced by high ceilings and engineered wood flooring throughout (cozy carpet in the bedrooms). The expansive great room showcases a striking cypress wood inlet tray ceiling, offering a warm and inviting atmosphere perfect for gatherings. The heart of the home, the kitchen, is a chef's dream with gorgeous quartz countertops, custom soft-close cabinetry, and a generous walk-in pantry complete with wood shelving. The laundry room is equally impressive, featuring ample cabinetry for added convenience. Retreat to the owner's suite which opens to a luxurious bathroom designed for relaxation. Enjoy double vanities with granite counters, a massive master closet, and a beautifully tiled shower equipped with two shower heads and a comfortable sitting bench. Natural light floods the home, creating a bright and airy ambiance. The panoramic stackable sliding glass doors seamlessly connect the indoor and outdoor spaces, leading to a spacious screened back porch. With a 2.5-car garage and convenient walk-up attic stairs for additional storage. Located in Winding River, you'll enjoy fantastic amenities including The Savannah Clubhouse, a resort-style swimming pool, soccer and sport courts, and sidewalks throughout the community.
