Description

Centrally located in the highly sought after neighborhood of Clover Park, a house with character and charm sits on a generous-sized culdesac lot. An expansive front porch welcomes you to this home featuring two primary suites and numerous updates throughout (fresh paint, new carpet, travertine tile and hardwood floors). The downstairs level includes the living room, office, dining room, family room, kitchen and breakfast area, as well as an ADA accessible primary/guest suite adjacent to an enclosed sunroom. Upstairs is a second primary suite, three bedrooms and full bathroom. Both walk in closets upstairs have ELFA installations. The backyard features a covered patio, a palapa, salt water pool and spa with pebble finish, an in-floor cleaning system and an automated control center capable of being programmed through your smart phone. Adjacent to the oversized garage is a storage shed. Just a short walk to either Clover Park playground or the neighborhood pond. A must see today!
