Description

This fully renovated home features 4 beds, 3.5 baths, off-street parking and welcomes you with an open floor plan, allowing for bright, natural light throughout the home. Entering the main level, you'll find a spacious living area with fireplace, dining area with dry bar and an updated kitchen with island seating and pantry space. Everything you need to entertain friends and family! On the second floor, there are 3 generously sized bedrooms, each with access to a full bath. Laundry is also located on this floor. The third level features a huge primary suite, which includes a full bath, private deck, wet bar and walk-in closet. There is an extra room that has the potential to be an office, gym, or game room! The bottom floor has plenty of storage space, too. Each level has access outside to the back decks leading to the parking pad, as well as decks out front to enjoy the sweeping city views. A short walk to public transportation and quick drives to Oakland, Downtown and major roadways.
