Description

QUALITY CONSTRUCTION BY PREMIER BUILDER & DESIGNER JIM NIGRO! This custom built, all brick Colonial style home features poured concrete foundation & steel support beams. Interior woodwork & trim is handcrafted by an old world French craftsman utilizing only real wood and all solid 6 & 9 inch oak (NOT MDF.) A newly installed roof enhances both the property's value and overall refined aesthetic. If you're looking for a true quality masterpiece, designed with only the finest of materials and craftsmanship then look no further. Featuring 5 bedrooms, 6 full baths, 2 powder rooms, a two-story grand entry foyer boasting 20 foot ceilings and the formal living room, formal dining room and 2-story great room each feature their own fireplaces. The butlers pantry leads into a modern eat-in German Allmilmo kitchen. The spiral staircase is built from Walnut with Anchorbolt custom-made spindles, handcrafted fireplace carvings, all Baldwin solid brass door locks & knobs sit on top of 8 ft solid wood doors with custom framing. Home has full house generator and surveillance system.
