Description

****Motivated Sellers**** This stunning 5-bedroom, 3-bathroom home is set on 5 acres of pristine, usable land, offering a serene and private escape. The main floor is host ready with beautiful new floors, and multiple entertaining areas. Upstairs you will find all five bedrooms along with two full baths, and let's not forget the gorgeous views! Located only five minutes to Costco, a quick walk to Warren School, and ten minutes to Lakeside, this property makes living very convenient. With minimal covenants and fully fenced boundaries, the property provides ample space for a hobby farm, making it ideal for those with a passion for gardening, animals, or outdoor living. Horses are welcome here, and there's huge potential for a barn, pasture, or other equestrian needs. The expansive grounds are perfect for creating your dream garden, offering room to grow and cultivate in a peaceful, country setting. The home itself is spacious and beautifully designed, providing a perfect blend of comfort and potential. Whether you envision a hobby farm, a family retreat, or simply a place to enjoy the tranquility of nature, this property is brimming with possibilities.
