Description

One of the larger condos at San Marco Place with 3 bedrooms and 3 full bathrooms (2 are en-suite). Views from every room in this 'Anastasia' layout. Being situated close to the elevator and single story make this home convenient and accessible. 1605 is a corner unit with granite counters, stainless steel appliances, bar seating plus formal dining room all facing the long balcony with downtown to stadium river views. Elegant columns define the spaces and add timeless charm. The resort-style common areas have all been recently renovated, modernizing the experience of living here. The rooftop is a dream with pool, hot tub, outdoor kitchen with grill and artificial turf. There's a front desk concierge, 24/7 security, 2 coveted spots in the parking garage and a storage closet. Just down the street is the historic neighborhood of San Marco with perhaps the finest dining in Jax. Pets and leasing are allowed with restrictions. This feels like a home and you'll love 1605!
