Description

An Entertainer's Dream. Welcome to your private oasis in the Kuliouou neighborhood of East O'ahu. This freshly renovated 5 bed, 3 bath single family home offers 2,621 sqft of well designed living space on an expansive 18,598 sqft lot, perfectly positioned to capture stunning ocean views and island breezes. A spacious 759 sqft wood deck offers seamless indoor outdoor living, ideal for hosting or simply enjoying the surroundings. The inviting in ground pool and professionally landscaped property provides a serene outdoor setting that's both functional and visually appealing. Tasteful updates to the property include new roof, new carpet, fresh interior and exterior paint, renovated bath, and new lighting. The lower level wet bar adds versatility for entertaining or multi-generational living. Additional features include 24 owned photovoltaic panels with NET metering. Located minutes from O'ahu's best beaches, popular restaurants, shopping, parks, and scenic hiking trails, this home offers the perfect blend of privacy, convenience, and island lifestyle. Don't miss the opportunity to own this exceptional property where indoor-outdoor living and island elegance meet. Click video tour tab!
