Description

Discover luxury living in this brand-new +/-5,905sf architectural masterpiece on a +/-0.58-acre lot in prestigious Emerald Hills. With sweeping San Francisco Bay views, this 5BR/4.5BA home was designed with impeccable attention to detail and is a sanctuary of modern elegance and tranquility. A floor-to-ceiling glass door introduces an open-concept layout with soaring ceilings, floating staircases, and light hardwood floors. The formal living room features a sleek fireplace and expansive glass doors opening to the spectacular grounds. The chefs kitchen dazzles with stone counters, top-tier appliances, a massive island, and custom finishes, flowing into the vast, sunlit great room. Fleetwood glass pocket doors open to a stunning pool and an amazing yard. A huge guest suite with private deck, and a chic powder bath complete the main level. Upstairs, the luxurious primary suite includes a walk-in closet, spa-like bath with steam shower, and private view deck. An immense lower-level media/recreation room with wall-length wine display, bar, and patio access adds versatility. Resort-style grounds boast patios, level lawns, pool/spa with water features, outdoor kitchen, firepit, fountains, and sport court. A long driveway and 3-car garage complete this one-of-a-kind, stunning offering.
