Description

Magnificent and Unique Listed Property in Genthod This imposing and one-of-a-kind property was originally built in 1840. It sits in an extensive garden planted with remarkable trees and encircled by a paved driveway. It also offers two swimming pools and several elegant fountains that enhance the estate. Approx. 950 m² of living space and 1 400 m² of usable floor area stand on a magnificent fenced plot of about 13 000 m². Key features Architecture & space: Manor house arranged over four levels with lift, providing generous volumes. Living areas: 20 rooms, over 12 bedrooms and 10 bath/shower rooms, plus several large reception rooms. Ancillary accommodation: Independent staff villa, two-car garage and courtyard parking for more than 20 vehicles. This exceptional residence blends elegance, comfort and rare amenities—perfect for lovers of truly outstanding properties.
