Description

Welcome to the "Titus", an open concept one level layout with vaulted ceilings, main floor primary suite plus two other bedrooms, and an unfinished basement that would bring this home to around 3,000 total sq ft after it is finished. Great opportunity to build in Hudson. Quality finishes and upgrades included- LVP flooring throughout the main living area, black windows, exterior timber trusses, hood vent and on-site enameled trim and doors! Your new build can be complete in 7-8 months, with little down, and no construction loan needed. Other solid features of the home include solid core interior doors, quartz counters, soft close cabinetry, 24' minimum garage depth, low voltage/work from home internet/ethernet set up and lots of other important things for your next home.
