Under contract-accepting backup offers. One or more photo(s) has been virtually staged. Welcome to The Islamorada-a 2017-built coastal contemporary residence by Heritage Builders, ideally located in the highly sought-after Oyster Bay neighborhood of Sarasota. Blending expert craftsmanship with elegant design, this exceptional home offers the rare combination of luxury, privacy, and convenience-just moments from The Field Club, Siesta Key Beach, and the cultural heart of downtown. Step inside to soaring vaulted ceilings, expansive windows, and a warm, transitional aesthetic that exudes both comfort and sophistication. The thoughtfully designed open floor plan flows effortlessly from the spacious great room to the dining area and gourmet kitchen-perfect for entertaining or relaxing in style. The chef's kitchen is a showpiece, outfitted with JennAir Pro Series stainless steel appliances, full-height designer backsplash, custom cabinetry, and a walk-in pantry. The main-level primary suite is a private retreat, featuring dual walk-in closets and a spa-like bath with separate vanities, a freestanding soaking tub, and a glass-enclosed shower with dual shower heads, a bench seat, and designer tile details. Also on the first floor are a guest bedroom and a versatile office or den. Upstairs, a generous bonus room and two additional bedrooms provide ideal accommodations for family or guests. Step outside and enjoy the best of Florida living. The screened lanai offers travertine pavers, a custom pool with sun shelf, gas-heated spa, and a full outdoor kitchen with built-in grill and exterior-grade cabinetry. Hurricane-rated electric roll-down screens, a whole house generator, and a 500-gallon propane tank offer year-round peace of mind and comfort. Every detail has been thoughtfully curated with high-end finishes throughout: wide-plank hardwood floors, porcelain tile, plush carpeting, 8' solid-core interior doors, impact-rated Low-E insulated windows, custom wood cabinetry, and a stunning mix of quartz and granite countertops. The oversized three-car garage is complete with insulated doors and epoxy flooring. Located West of the Trail in one of Sarasota's most desirable communities, this home offers unmatched quality, comfort, and coastal charm.
