Description

Magnificent 19th-century manor house with natural swimming pool This elegant, fully renovated manor house artfully blends period charm with modern comfort on a large, tree-planted plot. Offering more than 400 m² of living space plus a basement, it impresses with its generous volumes, abundant natural light and fluid layout. Set in one of Onex's most sought-after neighbourhoods, the property enjoys a prime location just moments from both state and private schools, shops and public transport. Inside, the floor plan can be adapted to suit your wishes, giving you an exclusive, customisable canvas to create a home that reflects your lifestyle. Outdoors, you will appreciate a swimming pool, a double garage and several additional parking spaces. Please note that it is possible to acquire an additional plot of approximately 1,000 m², including an annex of around 180 m² which will be fully renovated, for CHF 2,990,000.- This brings the total price for the entire estate to CHF 8,980,000.-
