Description

Step inside and you'll find an open-concept kitchen, dining, and living area that flows effortlessly onto a covered terrace—your private spot for sunset cocktails, lazy breakfasts, or quiet evenings under the stars. The kitchen comes fully equipped with quality appliances and a breakfast bar, perfect for entertaining or everyday ease. The primary suite is an elegant retreat, featuring a king bed, a walk-in closet, and a spacious en-suite bathroom with a double vanity, a Jacuzzi tub, and a separate shower. This suite also opens onto the patio, allowing you to wake up to ocean views every morning. The second bedroom features a queen-sized bed, ample storage, and is conveniently located just steps away from a full bathroom. Residents of Building 1 benefit from exclusive use of a private communal pool, tucked just steps from your door. You'll also enjoy access to all the signature amenities of Royal Westmoreland (subject to a membership fee): the clubhouse, gym, tennis courts, beach club at Mullins, 24/7 security, and more. Whether you're a golfer, beachgoer, or just seeking a quiet base in paradise, it's all right here. Royal Apartment 132 is move-in ready, fully furnished, and ideal for personal use, holiday rentals, or a lock-and-leave investment. You'll be just a 5-10-minute drive from Holetown's top-tier restaurants, shops, and beaches—though fair warning, once you're on the terrace watching the sun sink into the sea, you may never want to leave.
