Description

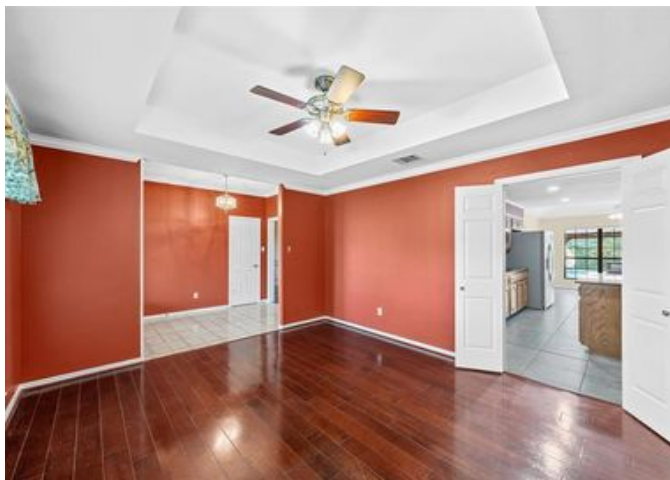

Welcome to Woodway's serene cul-de-sac, where this elegant five-bedroom, three-bath home blends privacy with stunning water views. The living room captivates with wooden beams and a cozy wood-burning fireplace, ideal for family and friend gatherings. The kitchen combines functionality and style, featuring granite countertops, custom cabinets with pull-outs and spice racks, and a central island. Recessed lighting showcases these exquisite details. The primary bathroom offers a spa-like experience with a heat warmer upon existing the shower, sky light, garden tub, and a water softener enhancing comfort, along with his-and-her walk-in closets. Spacious four additional bedrooms, 14x15 bedroom works as a perfect office, includes built-in bookshelves and desks for professional or academic needs. The versatile loft area with skylights includes a built-in entertainment center, while the walk-in attic includes a flex room providing tranquil space for play or meditation. Outdoors, enjoy a brick exterior, large shade trees, sprinkler system, an inviting in-ground pool with a slide and diving board, gazebo with an outdoor sink. If you wish to have a hot tub the connections are already in place. Workshop attached to the three-car carport is perfect for hobbyists and craftspeople. Storage room for pool supplies and a separate space for garden preparation.
