Description

Welcome to 528 Bay Ridge Parkway - the only fully detached home on the block, offering exceptional privacy, space, and potential. This legal 3-family home includes a private driveway and a detached 3-car garage — a true luxury in Bay Ridge. Perfectly situated on a classic tree-lined street, this property is close to all the neighborhood essentials — parks, shopping, and dining — while also offering easy access to public transportation, including the R train and multiple express bus lines, making commuting throughout Brooklyn and into Manhattan a breeze. Whether you're an end-user or investor, this is a rare chance to own a unique property with incredible upside in one of Brooklyn's most desirable communities.
