The main floor features a bright, open layout with a fully renovated kitchen with modern finishes, granite countertops and stainless steel appliances, including a French-door refrigerator. The kitchen is open to a lovely large dining space, which is perfect for entertaining. In addition, there is access to a generously sized outdoor deck, ideal for grilling and al fresco dining. Central air ensures year-round comfort. The king-sized primary bedroom includes an en suite bath and two generous closets, creating a private retreat. Two additional light-filled bedrooms on the main level, each with a double closet, share a well-appointed hall bath with double sinks-ideal for busy mornings. There is also a pull-down attic which spans the entire length of the house, which allows for tons of storage space. Downstairs, the expansive lower level boasts a large, open living area with two deep, walk-in storage closets, a spacious fourth bedroom, a full, renovated bath, and a laundry room with a second, separate entrance to the backyard. Sliding glass doors lead to a covered patio and a level, fully fenced in backyard-perfect for outdoor gatherings and relaxation. There is also an entrance to the 2-car garage.
