Description

St. Croix Enjoy spectacular sweeping views! This 3/3 hillside home with large pool has been beautifully remodeled with great attention to detail, colors inspired by SAND & SEA! It is perfectly situated to capture tropical breezes, & has multiple sliding glass doors & windows so that you can enjoy those views! A new chef's kitchen with stainless steel appliances, new tile in many rooms and gallery, new railings with cables, extensive storage throughout, split ACs, solar hot water, solar panels with 2 Tesla Powerwall II, WAPA net metering, 4 node Tenda Nova mesh wifi, all new windows, sliders & front door, diesel generator, 2 car garage with EV charger outlet, & on over an acre lot all combine to make this a delightful home! See Documents section for recent improvements & more details of the features
