Description

Built in 2023 & used as a second home, this one is truly like-new, this home has been meticulously maintained, the owner just added new gutters this year and this one has both front and back covered porches. Inside, the open, split-bedroom floor plan has a spacious living area, crisp white cabinetry, and a large kitchen island - perfect layout for entertaining or everyday living. Modern upgrades include a Smart Home Connect system, whole-home water softener, air purifier & a tankless gas water heater, delivering convenience, cleaner air and water, and endless hot water on demand. The primary suite offers a double vanity, low threshold shower, water closet, & large walk-in closet. A huge half-acre lot in Laurel Hill - just north of Crestview awaits! Seller credit up to \$10,000!!
