Description

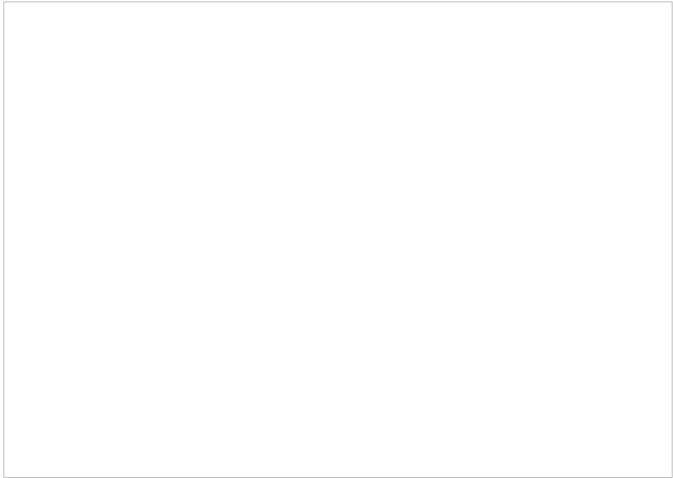

Set on over a quarter-acre lot and perfectly perched above the 4th hole of the golf course, this stunning home is packed with unforgettable features inside and out. You'll first notice the meticulously crafted paver driveway and multiple inviting outdoor living areas. Step inside to appreciate the custom cabinetry in the office, the surround sound and media setup in the theater-style 4th bedroom, and the soaring 14-ft ceilings in the great room. Enjoy huge picture windows, built-in bookcases, and a spectacular kitchen with a 6-burner stove, double ovens, copper sinks, expansive counters, and a massive pantry. The home's split bedroom layout ensures privacy. The luxurious primary suite includes an ensuite with a soaking tub, dual vanities, a walk-in shower, and a spacious closet with built-ins. The two additional bedrooms feature charming details like window seats, built-in shelves, custom closets, and share a generous Jack & Jill bath. Don't miss the oversized laundry room, built-in mudroom, and garage storage. Outside, relax on the huge covered patio, explore terraced gardens, admire mature trees, and take in breathtaking views. Huge Bonus: bi-directional solar system. See List.
