## Description

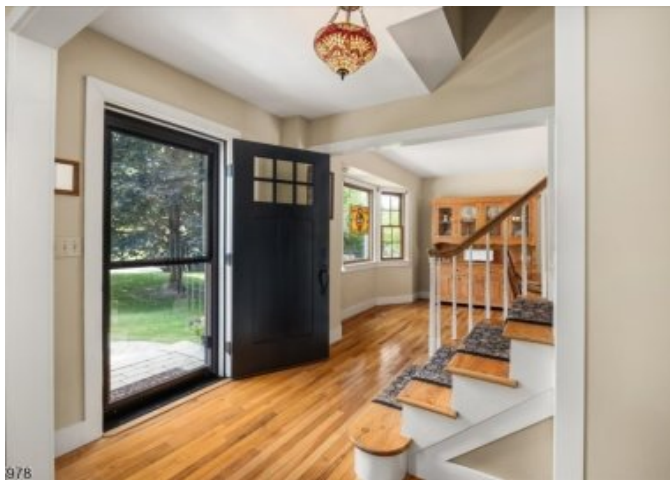

There is something magical about this home. A warmth that isn't tangible, yet can be felt. A deeper connection to nature's beauty; your own private treehouse! From the moment you walk up the front steps of this home, you can feel the loving moments that had taken place here, amongst the glistening hardwood floors, oversized windows and glass doors constantly pulling your attention to the beautiful view, and of course the gorgeous Kitchen with panoramic center island and bay window. Ideal for entertaining, the Formal Dining Room and Family Room can accommodate even the largest of gatherings with ease. The cozy Formal Living Room is full of natural light and made private through glass pocket doors. A natural flow takes you through room-by-room; separate spaces, yet open and connected. Upstairs, a calming Primary Suite offers a walk-in-closet and sunlit Full Bath. Three additional Bedrooms with wonderful closet space are accompanied by a second, beautifully updated, Full Bath. The impeccably Finished Lower Level adds plentiful living space, an enviable Laundry Room, and its own large Deck. The truly special feature that makes this home so special? The incredible tiered Deck. Each of the three tiers offering new and exciting views of the wooded backyard and a number of options for an ambiance to match the moment. Sitting on a Cul-De-Sac Street in sought after Woodland Estates. All of this, while being part of a community so special that once you're in High Bridge, you're HOME!
