Description

Welcome to this beautifully maintained brick-front home situated on a wooded lot in desirable Marshall Township, offering convenient access to highways, Cranberry Township, and downtown Pittsburgh. A concrete driveway leads to an oversized two-car garage that opens to a finished basement game room. The well-appointed kitchen includes all appliances and opens through French doors to a stunning rear addition, highlighted by vaulted knotty pine ceilings and an abundance of windows that showcase the private, wooded backyard-complete with a patio and firepit, perfect for outdoor gatherings. The main level also features a formal dining room, a spacious family room, and a versatile living room/home office, complete with built-in custom desk and shelving that are included in the sale. Upstairs, you'll find four generously sized bedrooms, including a primary suite with a full bath, double vanity, and a walk-in closet outfitted with a custom California Closet system.
