Description

Brick faced, move-in two-story with attached garage and amazing level private backyard. Home boasts newer roof, newer furnace and air, newer front windows and water tank. Through newer storm door, step into foyer and be impressed by recently refinished hardwood floors that continue through kitchen, morning room, hall and powder room. Formal living room/possible office and dining room are open to each other and have newer lighting. Vaulted family room with gas fireplace is fully open to beautiful gleaming white kitchen. Kitchen boasts quartz center island, hardwood, stainless steel appliances, freestanding pantry cabinet and opens to morning room with slider to larger Trex deck overlooking fabulous backyard with cozy firepit. Upstairs find four bedrooms with fresh carpet. Vaulted primary suite with newer windows and updated bath with soaking tub. Three other bedrooms with fresh paint, fans and lights. Updated hall bath. Finished walk out lower level to covered paver patio by under deck treatment. Game room, wet bar, workout room and workshop with 200 amp service. Enjoy fields and nearby amenities. Contact GEORGIE SMIGEL at 412-638-6258 or georgie.smigel@pittsburghmoves.com for more information or to schedule an appointment today!
