Description

Spectacular beachfront estate -two separate parcels seamlessly combined. Stroll through immaculately landscaped grounds with soothing waterfalls throughout and a separate guest studio. Fully walled for privacy. Step into this architectural masterpiece designed by well known architect Jeff Long with grand foyer directly looking out to breathtaking beach, ocean, and Diamond Head Views!! Three primary suite-sized bedrooms- one suite on the main level...all enjoying Diamond Head and ocean views. Two other primary suites on the upper level with "Romeo and Juliet" balconies looking down to the foyer. Very open floor plan with soaring ceilings ... finished with the finest materials -beautiful hardwood floors with inlay details, wood trim in bedroom ceilings, etched glass touches, floor to ceiling glass sliding glass doors, marble floors, top of the line appliances...Great location...close to island themed restaurants by the marina, shopping, Hanauma Bay, Sandy Beach...Your own Private Hawaiian Paradise...Simply STUNNING!! Both TMK 1-3-9-002-022-0000 & 1-3-9-002-001-0000 are being sold together for a total purchase price of \$16,750,000.00. Tax records differ from property.
