Description

Hamptons are delighted to introduce to the market this imposing detached house. Set over three floors, this well kept property comprises five bedrooms, three bathrooms, spacious reception, a separate fitted kitchen/dining area, garage, off street parking, downstairs w.c, a well maintained mainly laid to lawn rear garden, that lends itself ideally, towards al-fresco dining, with out building and a high amount of storage facility throughout. The vendor is selling on with no forward chain. We would highly recommend an immediate viewing of this sensibly priced home.

SituationA family area located in North West London, Harrow Weald forms part of the London Borough of Harrow. Located near Bushey Heath, Stanmore, Wealdstone, Headstone and Hatch End, the southern part of the area is a suburban development consisting of houses, schools, small shops, supermarkets and pubs. Most of the northern part of Harrow Weald consists of woodland, with the eastern part of the wood merging into the gorgeous grounds of Bentley Priory. Harrow Weald is located close to various schools including Harrow School - one of the country's leading public schools and Harrow College. Transport links are easily accessible with a journey from Harrow & Wealdstone overground taking 16 minutes to Euston, and underground Bakerloo services taking approximately 40 minutes. The local area is well served with bus routes. There is also a good level of local shops within the area in addition. Property Ref Number: HAM-59589
