Description

Timeless Luxury in Iconic Hayes Barton. Built by Allure Homes, this custom brick estate offers over 6,000 sq ft of refined living in one of Raleigh's most prestigious neighborhoods. A perfect blend of classic elegance and modern comfort, the home features oversized Pella windows, rich hardwoods, detailed millwork, and soaring ceilings. The chef's kitchen is a showstopper, with a 48" Wolf range, Sub-Zero refrigerator and freezer towers, a walnut island, and a full scullery complete with second refrigerator, dishwasher, microwave, wine fridge, sink, and coffee bar—designed for effortless entertaining. The main living room features an Isokern gas-log fireplace, while the covered rear porch stuns with limestone flooring, a wood-burning Isokern fireplace with gas starter, and a fully equipped outdoor kitchen. A breezeway connects to a private guest casita with its own living room, bedroom, and kitchenette—ideal for extended stays, private retreats, or poolside entertaining. Both the primary suite and guest casita overlook a resort-style backyard, where a heated gunite saltwater pool and spa are framed by lush, curated landscaping. The luxurious primary suite features his-and-hers walk-in closets and a spa-inspired marble bathroom with a freestanding tub and separate shower. With 6 bedrooms, a private study, formal dining, and a 3-car garage, this residence defines luxury living in the heart of Hayes Barton.
