Description

Located within the award winning Connetquot School District, this is a great neighborhood to settle in and call your home. Completely lined with Arborvitae Trees, the home provides privacy and tranquility that transforms the property into an oasis as well as gives this gorgeous colonial stunning curb appeal. The lawn is beautifully manicured and has a 5 zone smart sprinkler system that keeps the grass green and healthy. There is a rear deck for your entertaining desires. There are solar panels on the roof that are wholly owned and are only 5 years young. Consisting of 2600 square feet, there is a Huge great room on the first floor that you can host the largest of parties to gather around and watch your favorite sporting event or the ball drop on New Years Eve. Throughout the home, there is LED Hi Hat lighting to give a bright even flow in every room. The beautiful clean kitchen has a side entrance that leads to the driveway and to the detached garage. From the kitchen you enter the large formal dining room that overlooks the stunning private back yard. The first floor also includes a 1/2 bathroom for guests, a beautiful private office that leads into the kitchen for easy convenience. In addition, there is a huge primary suite with a walk in closet and a stunning primary bathroom. The full finished basement had a separate area with an outside entrance with a possible accessory apartment with proper permits. On the second floor there are 4 additional bedrooms along with 1 full bathroom. There is a ductless AC unit in the hall upstairs that can cool the entire second floor.., Additional information: Appearance:Diamond,Separate Hotwater Heater:Y
