Description

This expansive, one-of-its-kind brick 4-bedroom 4-bath ranch home set on over 2 acres promotes true one level living and space that can be utilized in many, many different ways. Enjoy the extensive formal New England style stone walls, garden views from the stone deck and chill in sprawling level yard. The entryway offers space, calm and comfort as you proceed to the fresh eat-in kitchen with ample cabinets, French doors. The sun-filled formal dining room with hardwood floors flows to the formal living room with picture window and fireplace making it great for hosting and entertaining. The living room's French doors open to the sunrooms for you and your guest to bask. Don't get lost as you discover the generous-sized bedrooms and 3 baths on the main level. It doesn't stop there as the lower level is completely finished with additional bedrooms, full bath, galley style kitchen, and walk out entrance making it ideal for in-law apt or additional living space. Laundry located on the main floor and in the finished basement provides options and convenience. The enormous and open finished attic provides various options and is awaiting your personal touch. This home also features a two car attached garage for your vehicles or storage. Don't miss the opportunity to make this dream home your own!
